**Bio-X d'I
Insecticide S
For Pets Envi
(220ml 毫升)**

The image shows a collection of items used for pet care, arranged on a yellow background. A pink heart is at the top left. In the center is a brown and blue striped doghouse. To its left is a blue and white balance scale. To its right is a blue pet carrier containing a red ball and a pink collar. Below the carrier is a red pet bed. In the bottom left corner is a brown and orange tabby cat sitting. In the bottom right corner is a red pet bowl. Lines connect the labels on the right side to specific items: '寵物' (pet) points to the heart; '隨身' (handy) points to the collar; '手' (hand) points to the brush; '休' (rest) points to the bed; '寵物' (pet) points to the bowl; and '床' (bed) points to the pet bed.

The logo for Bio-X d'Bug features a vertical yellow bar on the left side of the page. At the top, the word "Bio-X" is written in large black letters, with a green horizontal bar extending from the top of the letter "o" to the top of the letter "X". Below "Bio-X", the words "d'Bug" are written in black. To the right of the text, there are four black silhouettes: a cat sitting, a dog standing, a bird in flight, and a bee.

例如：狗，貓，兔子，豚鼠，
eg. Dogs, Cats, Rabbits,
Hamsters, Guinea Pigs

ug is an effective formulation for total treatment of flea, tick and mite in the environment of your pets. Use every 6-8 weeks to maintain a healthy living environment for your pets. Additionally, leave spray residue on the pet's surroundings, kernel, walls and on all surfaces.
